About this manual

The IUAFC app helps the church manage members, ministries, events, attendance, donations and announcements. Everyone signs in with their own account, and the app shows each person the screens that match their role. The app and the church website (iuafc.vercel.app) share the same information, so anything saved on one appears on the other.

In the screenshots, the **red numbers** and gold outlines mark the buttons and fields explained next to each picture. Section 2 applies to everyone; sections 3 to 7 explain the extra screens of each role.

Roles

Role	What they do in the app
Administrator	Manages users and roles, members, ministries, events and announcements; sees everything.
Pastor	Approves or rejects ministry activities, manages events and announcements, sees reports.
Finance Officer	Records donations and gives members their receipt numbers.
Ministry Leader	Proposes activities for their ministry and captures attendance for its members.
Church Member	Reads announcements, registers for events, sees their own attendance and giving.

Before you start

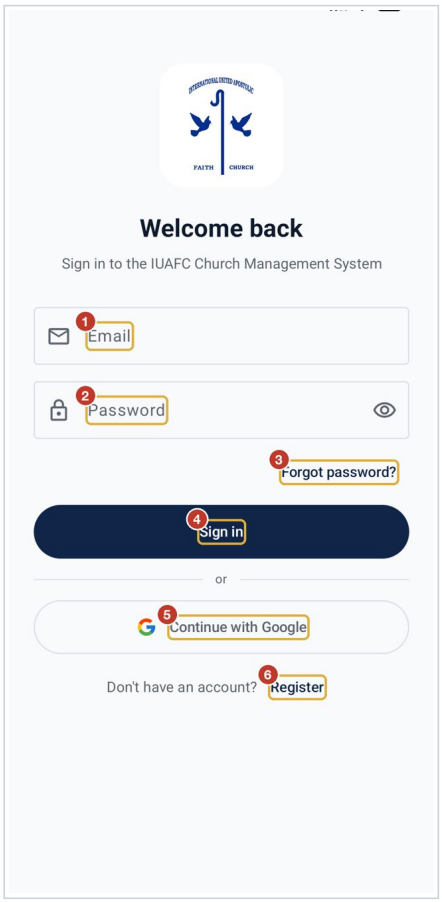

• An Android phone with Android 8.0 or later and an internet connection.

• The IUAFC app installed (ask the church team for the installation file).

• An account: register in the app or use Continue with Google. New accounts start as Church Member; an Administrator gives other roles.

1. Getting started

How to create an account, sign in and reset a forgotten password. These screens are the same for every role.

Sign in

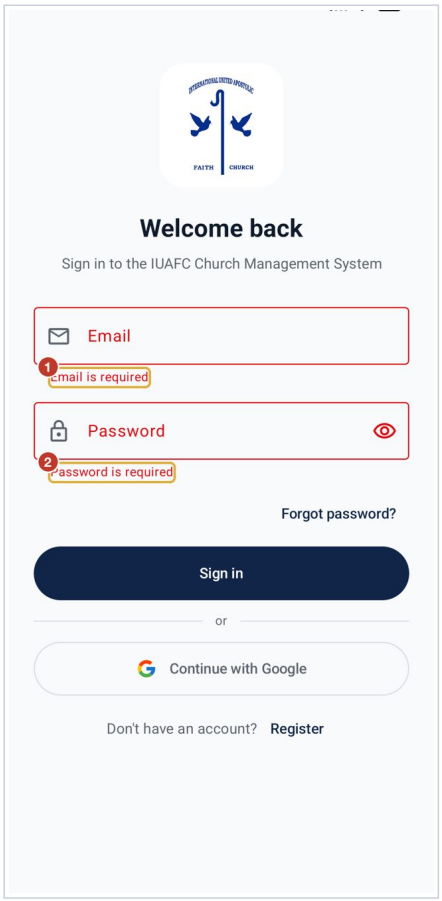

The first screen you see. Sign in with the email and password you registered with, or with your Google account.

ON THIS SCREEN

1	Email – the email address of your account.
2	Password – tap the eye icon to show or hide it.
3	Forgot password? – sends you a link to choose a new password.
4	Sign in – opens the app.
5	Continue with Google – signs in with your Google account (single sign-on). An account is created the first time.
6	Register – create a new account.

HOW TO

1. Type your email and password.
2. Tap Sign in. The Home screen opens.
3. Or tap Continue with Google and pick your Google account.

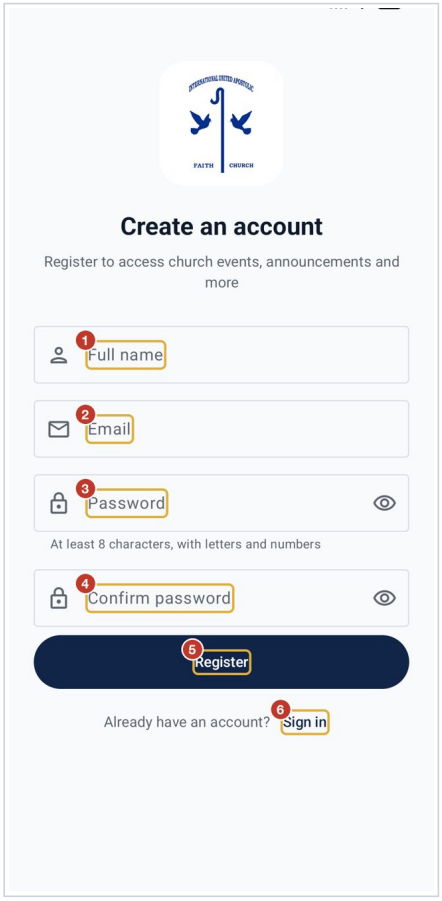

Sign-in errors

If a field is empty or wrong, the app explains what to fix under the field instead of signing in. If the email or password is wrong, a message says "Incorrect email or password."

ON THIS SCREEN

1	Shown when the email is empty or not a valid email address.
2	Shown when the password is empty.

Create an account

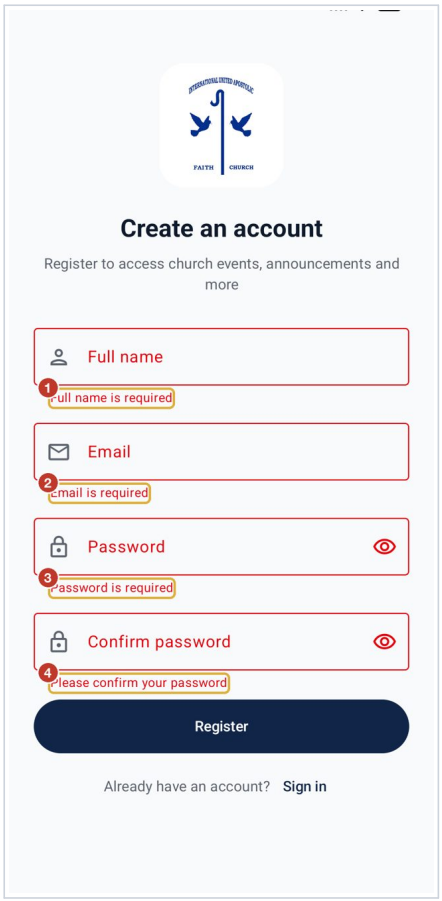

Anyone can register. New accounts start as Church Member; an Administrator can change the role later.

ON THIS SCREEN

1	Full name – your name as it should appear in the app.
2	Email – used to sign in and to reset your password.
3	Password – at least 8 characters, with letters and numbers.
4	Confirm password – type the same password again.
5	Register – creates the account. You may need to confirm your email using the link sent to you.
6	Sign in – go back to the sign-in screen if you already have an account.

HOW TO

1. Fill in all four fields.
2. Tap Register.
3. Open the confirmation email and tap the link, then sign in.

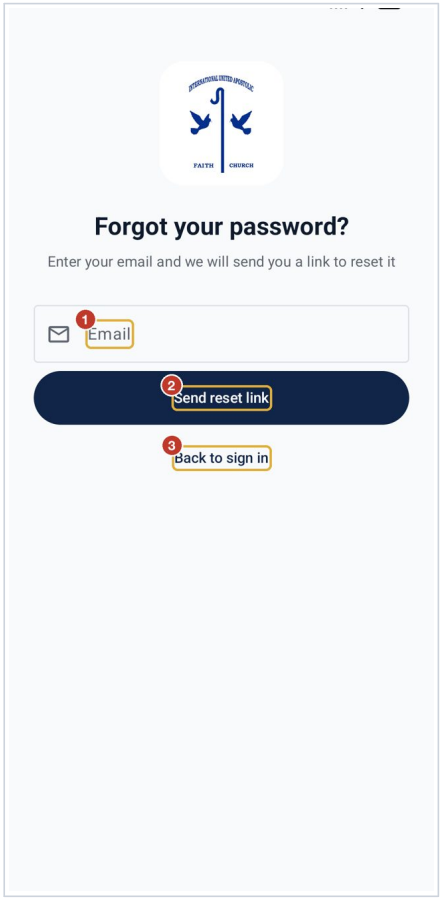

Registration errors

Every field is checked before the account is created.

ON THIS SCREEN

1. Full name is required.
2. A valid email is required.
3. The password is required and must meet the rules.
4. Both passwords must match.

Forgot your password?

Use this when you can't remember your password.

ON THIS SCREEN

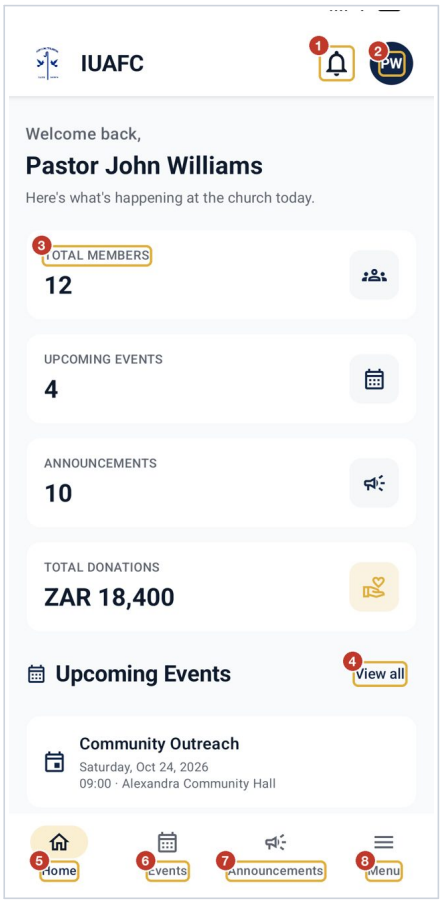

1. Email – the email of your account.
2. Send reset link – sends an email with a link to choose a new password.
3. Back to sign in – returns to the sign-in screen.

HOW TO

1. Tap Forgot password? on the sign-in screen.
2. Type your email and tap Send reset link.
3. Open the email, tap the link and choose a new password.

2. Using the app (all roles)

The Home screen, the navigation, events, announcements, notifications and settings work the same way for everyone. What you see in the Menu depends on your role.

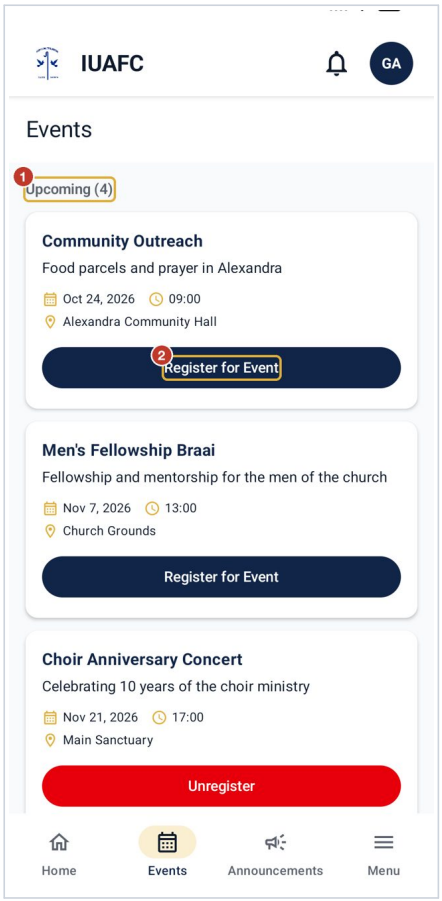

Home (dashboard)

A summary of what is happening at the church. The cards change with your role (for example, the Finance Officer sees total donations first and a Church Member sees their own attendance and giving).

ON THIS SCREEN

1	Notifications – opens your notifications.
2	Your initials – shows who is signed in.
3	Summary cards – the main numbers for your role.
4	View all – opens the full list of events.
5	Home – this screen.
6	Events – church events.
7	Announcements – news from the church office.
8	Menu – every other screen you can open, plus Settings and Help.

Events

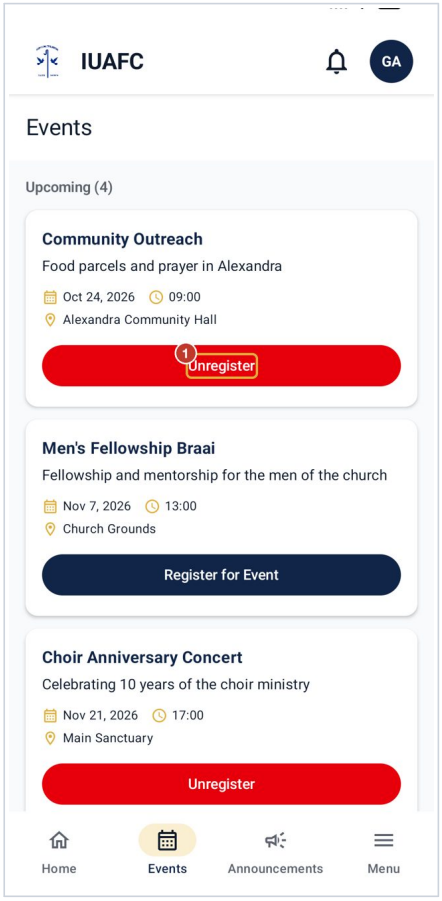

Upcoming events are listed first, followed by past events. Tap an event to see all its details.

ON THIS SCREEN

1. Upcoming events, with how many there are.
2. Register for Event – adds you to the event (Church Members).

HOW TO

1. Tap Events in the bottom bar.
2. Tap an event to see its description, date, time and venue.
3. Tap Register for Event to register.

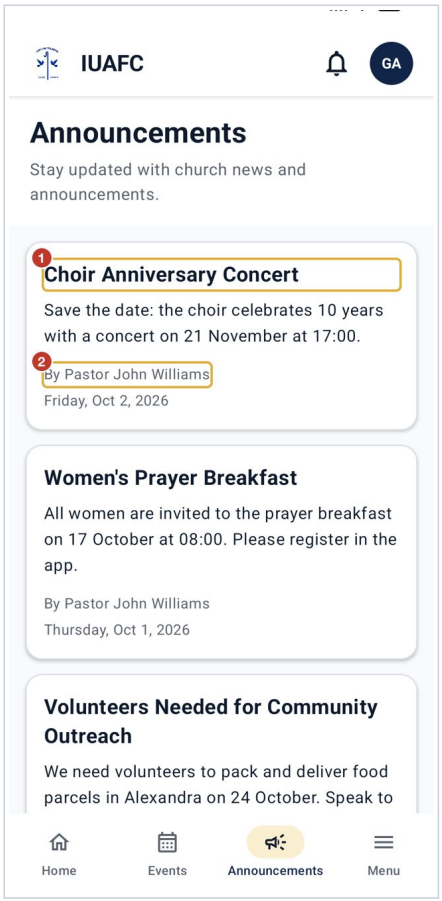

Registered for an event

After registering, the button changes so you can cancel.

ON THIS SCREEN

1. Unregister – cancels your registration.

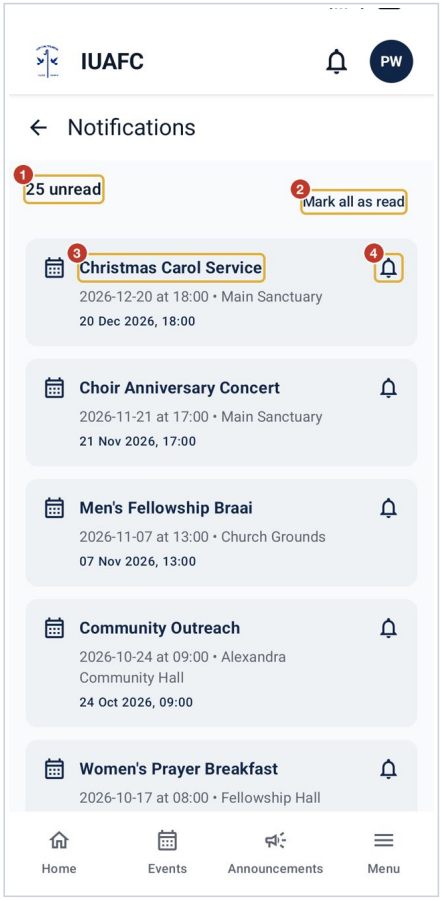

Announcements

News and notices from the church office, newest first.

ON THIS SCREEN

1	The announcement title and message.
2	Who posted it and when.

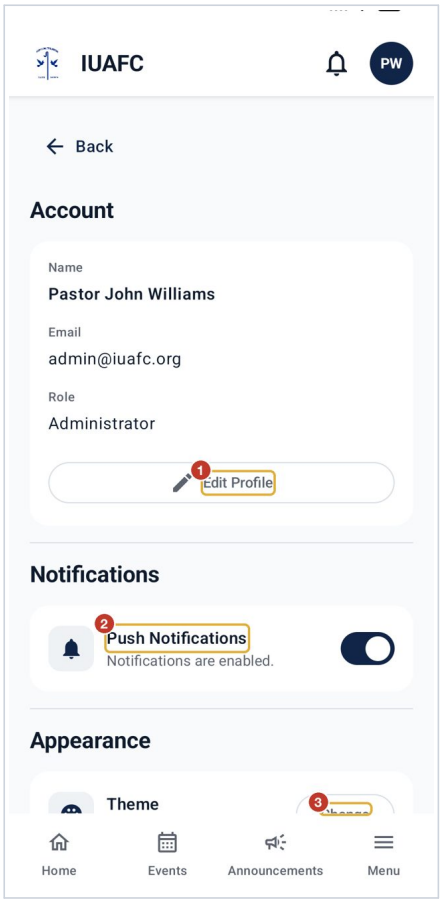

Notifications

New announcements, events and reviewed activities appear here. Unread ones are marked with a bell.

ON THIS SCREEN

1	How many notifications you haven't read.
2	Mark all as read.
3	A notification – tap it to mark it as read.
4	Unread marker.

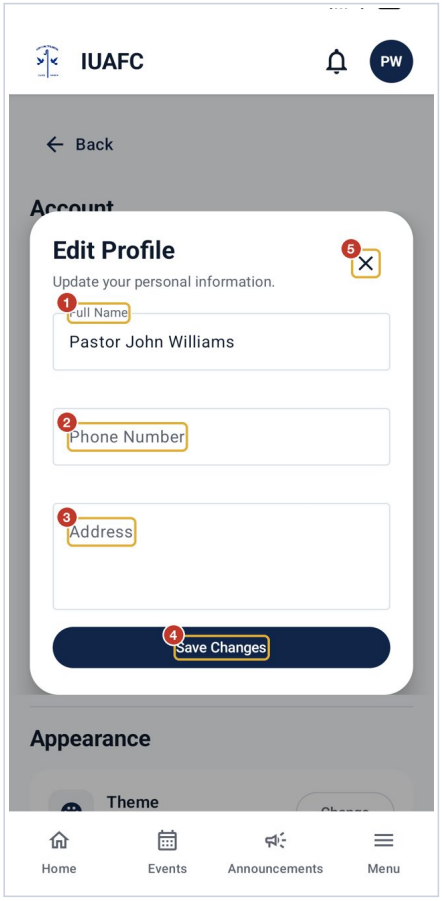

Settings

Open Menu → Settings. Your account details are at the top.

ON THIS SCREEN

1. Edit Profile – change your name, phone number and address.
2. Push Notifications – turn notifications on or off.
3. Change – choose the light, dark or system theme.

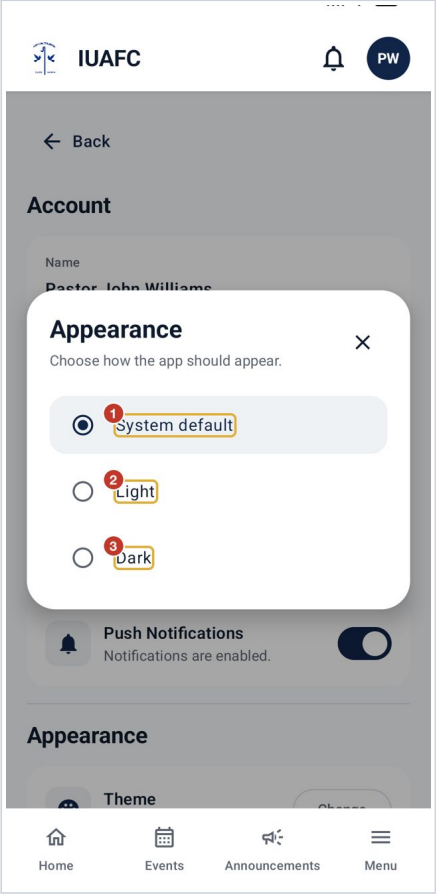

Edit profile

Your name is saved to your account, so it also changes on the website.

ON THIS SCREEN

1. Full Name (required, at least 2 characters).
2. Phone Number – a South African number, e.g. 0821234567.
3. Address.
4. Save Changes – saves and closes.
5. Close – closes without saving.

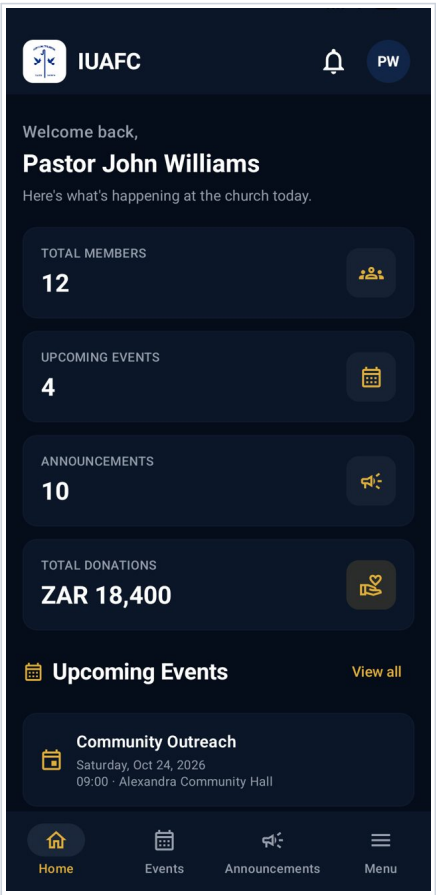

Theme

8. Troubleshooting

Problem	What to do
I forgot my password	On the sign-in screen tap Forgot password?, type your email and open the link in the email. You can also use Settings → Reset Password when you are signed in.
"Incorrect email or password"	Check the email for typing mistakes and try again. If you registered with Google, use Continue with Google instead.
"Please confirm your email before signing in"	Open the email sent when you registered and tap the confirmation link, then sign in.
"No internet connection"	The app needs the internet to load and save church data. Turn on Wi-Fi or mobile data and try again; screens have a Try again button.
I can't see a screen my colleague has	Each role sees different screens. Ask an Administrator to check your role in Menu → Users.
"You don't have permission to do this"	Your role can't make this change (for example, only Administrators edit members). Ask someone with the right role.
Continue with Google doesn't work	Make sure a Google account is added to the phone (Settings → Accounts) and that you are using the app installed by the church team.
A date can't be selected	Some dates are blocked on purpose: donations, dates of birth and join dates can't be in the future, and new events and proposed activities can't be in the past.
Save Attendance shows an error	Every member in the list needs Present or Absent before saving.

Still stuck? Open Help in the app (Menu → Help) or contact the church office.
